

Leadership 10

Assignment One – Creating a video Mash-up of leadership qualities.

For this assignment you must create a mash-up (mash together video, music, pictures and text) to create a list of the most important leadership qualities. To accomplish this you will use windows movie maker.

You will need:

- a) 15 leadership qualities (these should be your top 10 list...not 10 randomly chosen qualities)
- b) Quotations about leadership that connect to your 15 most important qualities
- c) Pictures of leadership
- d) One song that focuses on effective leadership
- e) At least one video clip that shows effective leadership

To achieve a perfect mark you must:

- a) Show thoughtful consideration of the leadership qualities
- b) Choose visuals which insightfully show your qualities
- c) Have ALL of the required elements
- d) Choose a song which effectively connects to your qualities

Mistakes that are easy to make include:

- a) Choosing the first visuals that show up on your google search
- b) Forgetting a required element (like the video clip)
- c) Choosing whatever 10 leadership qualities show up on a google search
- d) Adding unrelated pictures just because they're funny
